

Updated positioner literature press release

NEW POSITIONER LITERATURE NOW AVAILABLE FROM KOIKE ARONSON

ARCADE, NY -- (January 2012) -- Koike Aronson, Inc./Ransome, a leading manufacturer of cutting and positioning equipment for the metalworking industry, has updated its positioner product catalogs and has made them available for free.

The catalogs, which cover Positioners, Head & Tailstocks, Turning Rolls, and Automatic Girth Welders/Vertical Up Welders, contain the very latest on the industry's leading positioning equipment. Updated information includes new machine specifications, sizing guides, selection guides, pictures, and drawings. The Koike Aronson and Ransome lines have been combined in the booklets.

A copy of one of the new catalogs can be gotten in several ways:

- visit www.koike.com/product-literature for a download
- e-mail your name, postal address and what piece of literature you're requesting to info@koike.com
- mail a letter of request to Koike Aronson, Inc./Ransome, P.O. Box 307, Arcade, NY 14009

Koike Aronson, Inc./Ransome designs and manufactures one of the world's broadest lines of welding positioners and cutting products, as well as portable and gas apparatus equipment. Koike Aronson, Inc./Ransome, Arcade, NY, USA.
