

TR Series

Outboard Support Stands PTR-1000, PTR-5000, PTR-10,000

Weight capacity of 1000 lb, 5000 lb and 10,000 lb adjustable for diameters from 2 in to 48 in, with polyurethane wheels 8 inches in diameter. Roller assembly is mounted on screw adjusted stand for use as outboard support with Positioner or Headstock. Vertical adjustment of 8 in provides infinite height settings by means of Acme screw and nut.

**Capacities of 1,000 lb, 5,000 lb
and 10,000 lb**
