Features & Benefits

- **Five Models Available**
  All produce high quality cuts; compact and easy to use.

- **Tip Mixing System**
  The Three Land Tip Mixing system assures greater safety and reduces the risk of flashback and backfire.

- **Cutting Tips**
  Koike 100 series cutting tips are recommended and available for all medium pressure fuel gases.

- **Precisely Balanced**
  Provides ease of use in any application.

- **Three Stainless Tubes**
  Stainless steel tubes provide strength and durability while keeping gases separated to mix safely in the cutting tip.

- **Chrome Plated Finish**
  Durable chrome plating provides corrosion resistance and ensures smooth coupling.

- **75, 90 and 180 Degree Angle Torch Heads**
  Various head angles allow specialty cutting for any application.

**Expertly Crafted, Heavy Duty Gas Cutting Torches**

Each cutting torch is built to the highest standards, then stringently tested to insure safe; long life operation. Designed for the professional for use in industries such as metal fabrication, shipyards, salvage, construction and other general purpose uses.
MK Torches

- **Die Forged Head**
  Increased strength and service life.

- **Heavy Ribbed Handle**
  Provides good ventilation and a sure handed grip on the torch.

- **Easy Grip Gas Valves**
  Allows gloved hands to quickly and accurately set pre-heat flame.

- **Internal Tip Nut**
  Protects threads in torch head.

- **Ease-On Cutting Valve**
  Reduces slag blow back when piercing.

### Wide Range of Torches

Five models of torches insure that the professional always has the right tool for the job.

Whether it be the light weight and compact MK-150 torch, the thick cutting MK-300 torch or even the extra long MK-48 torch, each torch is built with features that make it safe, durable and a perfect compliment for whatever application may come your way.

### Lifetime Warranty

When using genuine Koike cutting tips, receive a lifetime warranty against damaging flashback. Our cutting tips offer a unique flashback resistance feature. We're so confident in our torches and cutting tips, that if our torch sustains a damaging flashback while using a genuine Koike cutting tip, we will replace or repair the torch free of charge. (Damaged tip and torch must be returned to Koike)

Don't forget to add our Safety-Z couplers for added safety and convenience.
